Introduction

Chapter One

Introduction to the Study

1.0 Preamble	1
1.1 Introduction	2
1.2 Rationale	2
1.3 Introducing NRICH and AskNRICH: A Classroom in the Air	3
1.4 Background to the Research	5
1.5 Framing the Research for the Main Study	6
1.5.1 CMC Forums	6
1.5.2 Types of Communities	7
1.5.3 Classroom Practices	8
1.6 Research Design	9
1.6.1 Epistemology and Theoretical Perspective	9
1.6.2 Working with the AskNRICH Artefact	10
1.6.3 Overview of the Research Goals	11
1.6.4 Framework Summary Diagram	14
1.6.5 Ethical Considerations	15
1.7 Outline of Thesis Chapters	15

Part Three – Analysis of AskNRICH

Chapter Eight

Introduction to the AskNRICH Web-Board

8.1 Introduction.....	1
8.2 AskNRICH Portrayed through Participants’ Voices	2
8.3 The Nature of the AskNRICH Environment	3
8.3.1 What is AskNRICH?	4
8.3.2 Sections of the Web-Board.....	5
8.3.3 Posting Protocols	6
8.4 Who uses AskNRICH?	7
8.4.1 Explicit Information Obtainable about Participants	8
8.4.2 Reasons for Participating.....	9
8.5 Posting Statistics	12
8.6 Features Summary 1	16
8.7 Conclusions.....	17
Appendix 8.1 The AskNRICH Posting Protocols.....	20
Appendix 8.2 AskNRICH Web-Board Sections: Totals of threads and mean thread lengths	22
Appendix 8.3 Thread Length Statistics over One Year	23

Chapter Nine

Common Practices of AskNRICH - Perspective One: Two Exemplar Threads

9.1 Introduction.....	1
9.2 Exemplar Threads.....	2
9.2.1 Exemplar Thread One – Attempting to Solve Simultaneous Equations.....	2
9.2.2 Exemplar Thread Two – Number Theory Topic	3
9.3 Explanation of Features	13
9.3.1 Theme One: Features in a Learning Role	13
9.3.2 Theme Two: Features in a Teaching Role	15
9.3.3 Theme Three: Social and Personal	17
9.3.4 Theme Four: Temporal Aspects	17
9.4 Discussion.....	18
9.4.1 Medium.....	19
9.4.2 Conversational Tone.....	21
9.4.3 Socratic-Style Dialogue and Scaffolding.....	23
9.5 Features Summary 2	26
9.6 Conclusions.....	26

Chapter Ten

Doing Mathematics in Local Isolation

Perspective Two: Case Study of an AskNRICHer

10.1 Introduction.....	1
10.2 Background Information.....	2
10.2.1 Introducing Peter in his Own Words	3
10.2.2 Numerical Data on Peter’s Postings	5
10.3 Peter Engaged in a Learning Role: Viewed through Two Sample Threads	8
10.3.1 The Sample Threads	8
10.3.2 Observations on Learning Opportunities.....	10
10.3.2.1 Mathematics Challenge	11
10.3.2.2. Experiencing Other People’s Mathematics	11
10.3.2.3 Exploiting Thinking and Understanding	12
10.3.2.4 Reaching out to other AskNRICHer: Following Ethos and Etiquette	13
10.4. From Learning Role to Teaching Role: Experiences of using Mathematical Induction.....	14
10.4.1 Threads Involving Mathematical Induction.....	15
10.4.2 Analysis of Peter’s Progress in Studying Mathematical Induction	17
10.5 In the Role of Helper	20
10.5.1 Teaching Strategies.....	20
10.5.1.1 Offering Hints.....	20
10.5.1.2 Offering an Alternative Example	21
10.5.1.3 Direct Explanation.....	21
10.5.2 Helping but Learning.....	22
10.5.3 Reaching out to other AskNRICHer: Perpetuating Ethos and Etiquette.....	26
10.6 Features Summary 3	27
10.7 Conclusions.....	28
Appendix 10.7 Case Study Subject: Post Texts of First Thread focusing on Mathematical Induction.....	31

Chapter Eleven

Playing the Game: Mathematicians' Interactions and Conversations

Perspective Three: Three Threads on one problem

11.1 Introduction.....	1
11.2 The Three Threads.....	2
11.2.1 Background and Rationale.....	2
11.2.2 The Mathematical Problem.....	3
11.2.3 The Participants.....	4
11.2.4 Starting to Analyse the Threads.....	4
11.3 Diagrammatic Representations of Interactions.....	4
11.3.1 Purpose of the Connection Diagram.....	5
11.3.1.1 Connection Diagram for Thread One.....	5
11.3.1.2 Connection Diagram of One Participant's Interactions Across Threads.....	8
11.4 Conversation-for-Education.....	10
11.x Mathematicians.....	13
11.5 AskNRICHers Emulating Professional Mathematicians?.....	16
11.5.1 Techniques for the Mathematician's Toolbox.....	19
11.5.2 Customary Occurrences when Engaged in Mathematics.....	20
11.5.3 Social Graces Embedded within Exchanges.....	22
11.6 Features Summary 4.....	24
11.7 Conclusions.....	25
Appendix 11.x Prose Explanation of Connection Diagrams [Extract from Thesis Chapter Six pp129-131]	29
Appendix 6.5 Connection diagrams for 3Thd1 as each post arrives.....	32
Appendix 6.6 Connection diagrams for 3Thd1 showing consequent interactions of each post.....	36
Appendix 11.4 3Thds: Tabulation of Data for Connection Diagram.....	40
Appendix 11.5 3Thd1: Tabulation of Data and Connection Diagram.....	48
Appendix 11.6 3Thds: Individual and Combined Connection Diagrams.....	49

Chapter Twelve

Taking Stock - A Reprise of Findings

12.1 Introduction.....	1
12.2 Diagrammatic Overview of Findings	1
12.3 Outline of the Remaining Stages: Defining the Characterisation.....	5

Part Four

Chapter Fourteen

The AskNRICHers' Virtual World: A Second Learning Place

14.1 Introduction.....	1
14.2 Stage One: Establishing AskNRICH as a Safe Haven Commune.....	1
14.3 & 14.4 Stages Two & Three: The Nature of AskNRICH.....	4
14.5 Stage Four: Defining a Pupil Learning Place and a Second Learning Place.....	6
14.5.1 Pupil Learning Place.....	6
14.5.2 Second Learning Place	7
14.6 Conclusions.....	9

Conclusion

Chapter Fifteen

Conclusions and Reflections

15.1 Introduction.....	1
15.3 Thesis Claims and Contribution to Knowledge	2
15.4 Limitations to the Study.....	7
15.5 Research Implications.....	9
