

The coloured shapes stand for eleven of the numbers from 0 to 12. Each shape is a different number.

Can you work out what they are from the multiplications below?

$$\begin{array}{l}
 \text{■} \times \text{■} \times \text{■} = \text{○} \quad \text{□} \times \text{□} = \text{★} \\
 \text{■} \times \text{○} = \text{○} \quad \text{■} \times \text{★} = \text{○} \\
 \text{□} \times \text{○} = \text{○} \quad \text{□} \times \text{◇} = \text{□} \\
 \text{□} \times \text{■} = \text{△} \quad \text{◇} \times \text{○} = \text{○} \\
 \text{△} \times \text{■} = \text{○} \quad \text{■} \times \text{▽} = \text{▽} \\
 \text{■} \times \text{■} = \text{○} \quad \text{▽} \times \text{○} = \text{▽}
 \end{array}$$
