

This trio of days will draw on the recent Smith report, and recommendations from ACME and Ofsted to support primary teachers and leaders of mathematics in inspiring and engaging their learners and colleagues.

## Primary Mathematics Teachers and Subject Leaders Programme 2017/18

### Day 2 Knowing Mathematics - Making the most of mistakes

Wednesday, 21 February 2018  
London Mathematical Society

Whether you are an existing or aspiring subject leader, a teacher seeking mathematical motivation or are already a regular NRICH PD attendee, we look forward to welcoming you and working together.
