

## NRICH NQT Teacher Inspiration Day

### Free Professional Development Day Course in mathematics teaching for NQTs

### 2011

The NRICH Team (<http://nrich.maths.org>) at the University of Cambridge is offering a **free professional development day in teaching mathematics** for NQTs teaching in maintained sector primary or secondary schools/colleges in the UK, on **June 24th 2011**. On the day we will discuss issues such as include finding and using rich tasks to encourage questioning and discussion, and building both our own and our learners' confidence.

#### *Outline programme details:*

- 9.30-10.10** Registration and coffee
- 10.00-11.00** Introductory plenary - doing maths together
- 11.00-12.30** Workshop 1 (key stage specific) Taking the fear factor out of rich tasks
- 12.30 - 1.15** Lunch
- 1.15 - 3.00** Workshop 2 (key stage specific) How can I fit in rich tasks AND cover the curriculum?
- 3.00-3.30** Final plenary

**Deadline for applications: Monday 6th May 2011**

# NRICH Teacher Inspiration Day

Friday 24 June 2011

University of Cambridge

**About the day:** The programme is for newly qualified teachers of mathematics working in KS R/1, 2, 3, 4 or 5. The aim of the day is to support beginning teachers who are committed to nurturing confident, resourceful and enthusiastic learners.

This Teacher Inspiration event will be a full day, held at the University of Cambridge, starting at approximately 10am and ending at approximately 3.30pm, with a mix of plenary **speaker sessions** and intensive **hands-on workshops**. The day will be highly interactive and will respond to the issues and concerns identified by teachers.

**Date and times:** 24th June 2011, 9.30 for 10am start – 3.30pm. Lunch and refreshments will be included.

**Cost:** The Templeton Foundation has generously contributed to support to enable us to offer **free places** to NQTs at maintained sector primary or secondary schools/colleges in the UK.

**Venue:** The day will take place at the University of Cambridge's Centre for Mathematical Sciences.

**To apply please complete and return the attached registration form before 6th May 2011 (forms can also be downloaded from [http://mmp.maths.org/teacher\\_days](http://mmp.maths.org/teacher_days)).**

**The last deadline for applications is Monday 6th May 2011.  
Places are limited and an early response is encouraged. We will contact you after receipt of your application form to confirm your place.**
