

# If The World Were a Village of 100 People

75 would have clean water in their  
homes or close by

25 would have to spend a lot of time each day  
getting clean water

68 would breathe clean air

32 would breathe polluted air

# If The World Were a Village of 100 People

Age	Number
Under 20	39
Middle aged	42
Over 50	18
Over 80	1

Always enough food to eat	24
Go hungry sometimes	16
Always hungry	34
Severely Under-nourished	26
