

NRICH

Leading Learning: Inspiring Learners

Free Professional Development Conference for
Mathematics Leaders & Specialists in Primary Schools

19 June 2012

The NRICH team (<http://nrich.maths.org>) at the University of Cambridge is offering a free professional development day for mathematics leaders and specialists teaching in maintained sector primary schools in the UK, to be held in central London on 19th June 2012.

The aim of the day is to support leaders to nurture confident, resourceful and enthusiastic teachers and learners of mathematics in their schools.

Outline programme details: (more available at nrich.maths.org/MaST2012)

9.30-10.00	Registration and coffee
10.00-11.15	Keynote 1 - Supporting the development of primary arithmetic through rich tasks - Lynne McClure
11.30-12.30	Keynote 2 - Challenging mathematics for all - comparing approaches in Hungary and England - Jenni Back
12.30 - 13.00	Table discussions around the key themes from the morning
13.00 - 13.45	Lunch
13.45 - 14.45	Choice of three workshops:
and	<i>A Developing a growth mindset in maths</i>
15.00 - 16.00	<i>B Generic proof unpacked at primary level</i>
	<i>C Lesson observation as development</i>
16.00	Conference ends

Booking form at <http://nrich.maths.org/MaST2012>

NRICH Leading Learning: Inspiring Learners

Tuesday 19 June 2012

About the day: The programme is for practicing specialist teachers. This Mathematics Leadership event will be an interactive day with a mix of plenary sessions, group discussions and workshops.

- Be inspired about how to develop rich mathematical learning across your school.
- Enrich and extend your mathematics provision.
- Consider the implications of research findings on children's mathematical learning.
- Come away with strategies to support you in developing mathematical classrooms of enquiry and challenge.

Speakers: The NRICH Team at the University of Cambridge: Lynne McClure, Jenni Back, Jennie Pennant and Bernard Bagnall. The team are Primary mathematics and leadership specialists who are committed to enriching the experience of the mathematics curriculum for all learners. Detailed biographies and photographs of each speaker can be found at <http://nrich.maths.org>.

Date and times: 19th June 2012, 9.30 for 10am start - 4.00pm.

Cost: The John Templeton Foundation has generously contributed to support to enable us to offer **free places** to MaST teachers, maths managers and specialist mathematics teachers at maintained sector primary schools in the UK. Maximum one delegate per school please.

Venue: The London Mathematical Society
De Morgan House, 57-58 Russell Square,
London WC1B 4HS

How to apply: for further information and booking form please visit

<http://nrich.maths.org/MaST2012>

Booking opens 20th April and closes 1st June. Places are limited and will be allocated on a first-come, first served basis - early booking is strongly encouraged.
