

February 2026

Hello,

Booking now open for our two upcoming webinars: Low Threshold High Ceiling - Sharing Classroom Experiences

In our recent Maths for All webinar, we discussed the use of low threshold high ceiling tasks, and how we can ensure that all learners experience both struggle and success. You can find the webinar recording, together with accompanying guidance, on our [Low Threshold High Ceiling](#) page.

In the feedback, teachers who attended the webinar expressed an intention to share ideas with colleagues, and try them out in their own classrooms. This webinar will offer an opportunity to share your experiences and challenges, and to celebrate your successes.

Booking links can be found on our [Events](#) page.

Primary Teachers:

Tuesday 10 March, 16:00-17:00 UK time

[Sign up here](#)

Secondary Teachers:

Wednesday 11 March, 16:00-17:00 UK time

[Sign up here](#)

Schools registering for these events will be sent a confirmation email and a zoom link two days before the event. If you cannot find it in your inbox, please check your junk and spam folders.

If you missed our last webinars, you can catch up with the recordings [here](#).

Best wishes from Charlie and Liz, on behalf of the NRICH team

The NRICH Project aims to enrich the mathematical experiences of all learners. To support this aim, members of the NRICH team work in a wide range of capacities, including providing professional development for teachers wishing to embed rich mathematical tasks into everyday classroom practice.
