

Group Norms

Bad Collaboration

Strong Collaboration

Group Norms Rubric

- Closed to others' ideas
- Disrespectful of others

- Hogging the marker

- Passive participant, not talking
- Doesn't try to help others understand; just says the answer

- Open to some ideas
- Indifferent to others

- Willing to give up the marker when others ask for it

- Sometimes active participant
- Gives some explanations, but not detailed or consistent

- Open to others' ideas
- Respectful of others (not making fun of "wrong" ideas)
- Sharing the marker

- Active participant, talking a lot but letting others talk too
- Explains steps and thinking so whole group can follow along

Group Norm Rubric Self-Evaluation

For each row, circle where you think you are on the rubric (It's okay if you're on the lower end. You have a whole year to improve!)

		
• Closed to others' ideas • Disrespectful of others • Hogging the marker	• Open to some ideas • Indifferent to others • Willing to give up the marker when others ask for it • Sometimes active participant • Gives some explanations, but not detailed or consistent	• Open to others' ideas • Respectful of others (not making fun of "wrong" ideas) • Sharing the marker • Active participant, talking a lot but letting others talk too • Explains steps and thinking so whole group can follow along

Below the rubric, answer these questions:

- 1) Which norm did your group do best with today? Give an example.
- 2) Which norm do you personally want to improve on next class?
