

2 Rings

Two very special rings are on the floor:

Very special because they can get bigger or smaller - as you like.

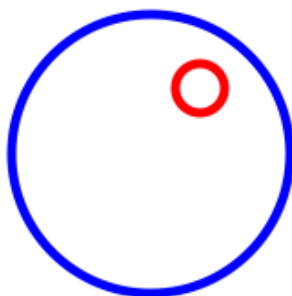

So you might like them to be like this:

Maybe you like things small - so you would have:

I'd like the blue one to grow:

Whoa! That looks different.

The Red is inside the Blue.

So the Red and the Blue can grow - just as you like.

We've seen the Red **inside** the Blue. Can we change things so that we might use other words like 'touching', 'overlapping', or 'outside'?
